Friday 6th October

Dear all,

Now that your child has been at school for a few weeks, we would like to invite you or a family member to join us for an afternoon story and craft activity session in their classroom. We like to welcome families in during the year to experience what classroom life is like for your child, as well as to offer helpful tips or strategies to support your child at home.

We will be joined for the session by members of Norfolk’s Schools and Community support team, who will be on hand to offer tips or advice about transitions to and from school or separation anxiety. We know that for a lot of our children in Reception this can be a tricky thing, and we want to offer support to families to help make mornings and evenings as smooth as possible for the child and your family. There will also be an opportunity to talk to the Schools and Community team away from the children about any specific issues you may face with your child’s routines.

The session will take place from 2pm on Monday 30th October, the first day back after half term. This date was chosen to help with those first day back nerves for the children, and also to help establish any new routines that may help if transitions are a challenge at times.

If you would like to attend please complete and return the slip below by no later than Friday 20th October.

Kind regards

Sam Birkinshaw
