Share your thoughts with us

It has been lovely to enjoy some sunshine over the past few weeks but already the daylight hours are changing and the new academic year is only days away. The Family Voice Norfolk team has been working throughout the summer and will be undertaking some forward planning when back at full complement in September. If you get a few minutes spare (ha ha, we can feel the groans of “if only”), drop us a line or two on membership@familyvoice.org.uk with your thoughts on what topics you’d like to learn more about. How do you like to share your thoughts with us? Do you like short surveys, the opportunity to send an email, an online catch-up session or would you welcome face-to-face opportunities again? We’d love to hear your thoughts and ideas on how we can best ‘hear your voices’. As always, your voices and your experiences are important, they matter. We, in turn, can make them matter to services so please do keep talking to us, sharing the good, the bad and the sometimes ugly we all experience on occasion. Together we can make a difference to SEND in Norfolk.

George at Asda- Easy On- Easy Wear Adaptive School Uniform

Discover our [easy on easy wear](#) kids' school uniform, featuring adaptive clothing for boys and girls. Specially designed for children with specific or sensory-sensitive needs, our adaptive school uniform helps support independent dressing and maximise comfort throughout the school day. Featuring uniform with soft threads, non-bulky seams and label-free designs, you can rest assured that our adaptive clothing for kids looks the same as the rest of our school uniform collection. Fiddly buttons have been replaced with easy close fastenings, but decorative mock buttons will ensure their uniform matches the rest of our range. We also have boys' school trousers and girls' school trousers with elasticated waistbands, making them easy to pull on and off and great for assisted dressing. For more fit solutions, try our [boys' plus fit](#) school uniform and [girls' plus fit](#) school uniform.

Welcome to toothPASTE an online resource to help autistic children's oral health

toothPASTE is a free, online resource developed with parents and professionals to support autistic children's oral health and also relevant to many children with additional needs.

It includes small, practical steps to help with toothbrushing, reducing sugary foods and drinks, and attending dental appointments. The resources are autism-informed, non-judgemental, and easy to use.

[Click here to go to the toothPASTE website](#)

Tourette Syndrome passport for adults and children

Funded by The Big Lottery, Tourettes Action commissioned the University of Nottingham to undertake research on improving the psychosocial experiences of adolescents with Tourette syndrome.

Professionals worked closely with young people with TS to explore their psychosocial and educational experiences and to examine what factors influence tics and social interactions. The young people were aged between 10 and 20.

This research found that the experiences of adolescents with TS in education are more negative when educators do not have sufficient knowledge and understanding of the condition.

In response to this study, Tourettes Action developed the TS Passport. This is a four sided document where young people with TS can add information about their tics and social situations that heighten/lessen their tics and a space for any medication, accompanied with their photograph. This is a perfect document for educators, especially supply teachers, as they can quickly and easily understand about the student's TS.

[Click here for more information on the Tourette Syndrome passport](#)

Tourettes Action grants

Tourettes Action offer grants to improve the quality of life for people with Tourette Syndrome (TS) living in the UK. We are able to offer these grants thanks to a generous donation by a TA supporter.

We award grants of up to £500 for equipment that supports people with TS in their day-to-day life. Some examples of what we have funded in the past include:

Instruments for people whose tics reduce when playing music, Beds for people whose tics are so violent that normal beds break.

Please note that we do not provide grants for activities, holidays or to fund treatments. If you are unsure if the item you would like to apply for fits the criteria for eligibility under our scheme, please [contact us](#) to discuss.

[Click here for more information about grants](#)

Tourettes Action online Support Groups

Our online support groups are a great opportunity for the Tourette Syndrome community to connect with each other. Hosted on video platform Zoom, our Online Support Groups Leader facilitates groups for parents, adults and teenagers.

Each meeting has a maximum capacity of 20 participants, therefore early booking is encouraged to secure your place.

Please note: the Tourette Action online support groups are for UK residents only, with a registered UK address

Registration for online booking will close at 5pm the day before the event.

We currently have the following online support groups to offer you:

Parents Coffee Morning

Adult Support Group

Dads/Male Role Models Group

Parent/Care Giver Evening Group

Family Support Group

Teen Support Group

Q&A Drop-In Session

MAKING SENSE OF SEND

A free information fair for parents and carers of children aged 0-25 with SEND, and the professionals that work with them.

Charles Burrell Centre, Thetford

Thursday 18th Sept 2025

10am-12noon

Making Sense of SEND - 18th September 10 am -12 noon at The Charles Burrell Centre in Thetford

Join us for our next 'Making Sense of SEND' information fair! This time we're going to be at Charles Burrell Centre, Staniforth Road Thetford IP24 3LH.

These events are for parent carers who have a child or young person with special educational needs and/or disabilities (SEND), and the professionals who work with them. The aim is to share information with you and enable you to meet the people behind the services.

As usual we have lots of services joining us with information stands so you'll have the opportunity to go around, find out more and ask your questions.

You will also have the opportunity to listen to a talk.

Free refreshments will be available.

Making Sense of SEND is organised by the Norfolk SEND Local Offer team in partnership with Family Voice Norfolk.

Click the green button below to book a place, or you can also just turn up on the day!

[Click here to book a place](#)

Are you aged between 18-25?

Can you help us with some research on
alcohol behaviours in young adults?

We want to speak with young adults aged 18-25 who are
in one or more of the following groups:

- leaving care or care experienced
- with experience of homelessness
- living with autism or ADHD
- accessing specialist alcohol treatment services
- in low skilled work
- not in education, employment, or training

We are conducting online interviews lasting 45-60 minutes.

You can take part whether you drink alcohol or not.

Participants will receive a **£35 Amazon voucher** as a token of
thanks.

Taking part is completely anonymous and confidential.

You can sign up to take part using the link / QR code below:

<https://www.smartsurvey.co.uk/s/NCCAlcoholResearch/>

Participants are welcome to have a support worker attend the interview alongside them.
For more information, contact research@smgateway.co.uk

SMG are conducting this research on behalf of Norfolk County Council.

Record number of complaints to the Local Government and Social Care Ombudsman

Many parents of children with additional needs talk about the battle to get support for their child. One of the routes of complaint about this for families in England is the Local Government and Social Care Ombudsman (LGSCO).

Earlier this month the LGSCO published its annual report for the year 2024-25, which showed they are dealing with [record numbers of complaints](#) – exceeding 20,000 for the first time.

Amanda Elliot, Health and Social Care policy lead at Contact, said: “This a sad indictment of the daily battle that parents talk about and the state of the public services they rely on.

“It’s why we believe the government should implement the [Law Commission’s proposals](#) in full and why it’s crucial that the [forthcoming SEND reforms](#) create a system that works for every child.

We have [information](#) about how to complain about services, whether that’s a refusal to assess, delays or quality.

Elective Home Education (EHE) parent event on Monday 29th September

Join us for an Elective Home Education parent drop-in session.

Date: Monday 29th of September

More information will follow closer to the event. Click [here](#) to keep up to date.

The Services to Home Educators team support families who are thinking about, or have decided, to home educate their child or children.

If needed we'll offer support and guidance around home education. Our aim is to work in partnership with Norfolk's home educating families.

**NORFOLK
AUTISM
PARTNERSHIP**

Norfolk Autism Partnership Board: Current Opportunities

We're inviting autistic people, parents, carers, and community members to apply for several voluntary roles within the Norfolk Autism Partnership.

These roles are unpaid, but involvement fees are offered to recognise individuals' time and input. Each role offers a real opportunity to influence how autism services are shaped and delivered across Norfolk.

Below is a summary of the current opportunities:

- **Autistic Board Member**

Help guide the strategic direction of the Norfolk Autism Partnership Board by bringing your lived experience as an autistic person. You'll attend meetings, share feedback, and influence priorities and policy.

- **Parent/Carer Board Member**

Use your insight as a parent or carer of an autistic person to shape local services. Board members contribute to key decisions and work alongside professionals to ensure families' voices are heard.

- **Autism Support Pathways Working Group Member**

Work with others to improve support pathways and promote autism-friendly services across Norfolk. Members help update the Norfolk Autism Directory, develop a quality mark, and co-produce practical guidance for community organisations.

- **Autism Strategy Oversight Group Member**

Monitor progress on the Norfolk All Age Autism Strategy 2024–2029. Members review reports, give feedback, and help hold services to account for delivering on key autism-related priorities.

For more information and to apply click [here](#)

Norfolk Adult Safeguarding Board: Focus Group

Facilitated by the Norfolk Autism Partnership Board

This focus group brings together autistic adults, family members, carers, and professionals to share experiences, insights, and suggestions around safeguarding in Norfolk.

The aim of this meeting is to:

- Gather views on how safeguarding processes and services can be made more accessible and effective for autistic people.
- Identify any gaps, barriers, or challenges autistic adults face when engaging with safeguarding support.
- Explore ways to promote understanding of autism within safeguarding practice.
- Provide feedback directly to the Norfolk Adult Safeguarding Board to help shape policies and procedures.
- Ensure autistic voices are central to improving safeguarding approaches in Norfolk.

Your input will help influence future safeguarding practice, ensuring it better reflects the needs and rights of autistic people.

Date: Friday, 10th October 2025

Time: 11:00-12:00

Venue: Online via Zoom

To register please click the green button below:

[To register for the focus group click here](#)

Home Education Focus Group for Parents and Carers of Autistic Children

ASD Helping Hands, the Norfolk Autism Partnership, and Norfolk County Council's Elective Home Education Team are hosting a focus group for parents and carers who home educate their autistic children (under 16).

We want to hear directly from you about the support and resources you need to help with home education. This is not about returning children to mainstream or traditional schools – it's about understanding how we can best support you in your role as a home educator.

This session is linked to an action in the Norfolk All-Age Autism Strategy, where families told us it would be helpful if schools shared the resources they use, so parents and carers could use them too.

While the focus group takes place, ASD Helping Hands will run fun activities for your children in a separate area, so you can fully take part in the discussion.

Date: Wednesday 8th October 2025

Time: 13:00-14:00

Venue: Breckland Business Centre, Dereham, NR19 1FD

To register please click the green button below:

'Understanding Parent Blame': edited by Luke Clements & Ana Laura Aiello, Policy Press 2025

Parent Blame: a standard response by many institutions when they fail to provide appropriate education, health and social care support for children in need and their families.

An event to discuss what can be done to challenge institutional policies and practices that, in the time of austerity, foster a culture of Parent Blame.

Bringing together parents and young people who have experienced the trauma of being caught up in the process of blame, together with practitioners, activists and researchers.

To book a place (to attend in person or online) email A.L.Aiello@Leeds.ac.uk (by 31st August 2025)

Norfolk Community Safety Survey Easy Read version- Closing date extended to 31st August 2025

The Norfolk Community Safety Partnership, made up of the Police, Health, Fire, Probation and Councils has a launched a survey for Norfolk residents to share their experiences of crime and anti-social behaviour. The feedback will help us plan and measure the impact of our work.

You can access the online version of the survey here: [Norfolk Community Safety Survey 2025](#)

If you would like a paper copy of the Easy Read version please email the Norfolk Community Safety Partnership NCSP@norfolk.police.uk

Please state your Name / Address & Postcode.

The Norfolk Community safety partnership will then post a hard-copy of the survey together with a pre-paid envelope to you, and will accept completed surveys **two weeks after the closing date.**

Or if you are able to:

The survey can be printed out and filled in and sent to:

Community Safety Partnership,

Office of the Police and Crime Commissioner for Norfolk and Suffolk Constabulary,

Jubilee House, Falconers Chase, Wymondham, Norfolk, NR18 0WW

Or, you can fill the survey out as a digital copy and email it to us at: ncsp@norfolk.police.uk

The survey closes on the 31st August 2025.

Running in 5 week blocks - £42.50

Emotional Regulation classes- at Toftwood Scout hut

Little Tots
Supported by Norfolk County Council.

Emotional regulation Classes.

Starting: Wednesday 10th September - 1pm - 2pm
At: Toftwood Scout Hut, Dereham Running in 5 week blocks - £42.50

Our Emotional Regulation Classes are designed to gently support toddlers and preschoolers as they begin to recognise and understand their emotions. Aimed at children aged 18 months to 5 years, each session is packed with playful activities to help children feel calm, confident, and connected.

Through fun weekly themes , we explore important feelings like worry, excitement, frustration, and self-confidence — all in a safe and supportive space where your child can learn and grow at their own pace.

Each class includes a lovely mix of:

-  Breathing games and calm-down techniques to help manage big feelings
-  Yoga-style movements to support emotional release and body awareness
 -  Mindful moments to help little ones slow down and focus
-  A themed story exploring emotions in a way children can understand
 -  Soothing story-based massage for relaxation and connection
-  Sensory play activities to explore feelings, and self-expression
 -  Parachute games and group play to build confidence and social skills

These classes are calm, creative, and full of joy — a lovely way for you and your child to spend time together while learning tools that can support emotional well-being both now and as they grow.

Navigating Health and SEND online training sessions for professionals : Registration is now open!

As part of the RISE (Research and Improvement for SEND Excellence) Partnership, funded by the Department for Education (DfE), the Council for Disabled Children (CDC) are

organising a series of 8 online training sessions on 'Navigating Health and SEND'.

This training is designed for and aimed at **professionals** working in the SEND system who would like to increase their knowledge of Health in the context of SEND.

Please complete your details on the registration form by clicking the green button below and confirm which training date you are available to attend by selecting the relevant option.

Please only select one date for the training as each training session will follow the same agenda and format.

These training sessions will take place online on MS Teams, either in the morning (10.00-12.30) or afternoon (13.30-16.00).

If you have any questions or access needs, please email Joe Fautley on RISE@ncb.org.uk

Fit for the future- 10 year health plan for England

The **10 Year Health Plan for England** seizes the opportunities provided by new technologies, medicines, and innovations to deliver better care for all patients – wherever they live and whatever they earn – and better value for taxpayers.

It is making **3 big shifts** to how the NHS works:

- from hospital to community: more care will be available on people's doorsteps and in their homes
- from analogue to digital: new technology will liberate staff from admin and allow people to manage their care as easily as they bank or shop online
- from sickness to prevention: we'll reach patients earlier and make the healthy choice the easy choice

To find out what the next decade of health and care looks like, read [Fit for the Future: 10 Year Health Plan for England](#).

Family Action Norfolk and Waveney Autism/ADHD Support Service September 2025 newsletter

As we begin a new term, we know many parents and carers will be worried about different challenges that school and growing up can bring.

We focus on friendships and bullying in this month's newsletter as we receive many questions on these topics.
