Strong Foundations: Bright Futures

SCHOOL MESSAGE

This week we were delighted to see every child engaging in the Tunstead Challenge. Everyone was involved and displaying excellent sportsmanship. A fabulous £188 was raised through your generous sponsorship which will go towards a sensory garden as suggested by the School Council. Thank you to you all for supporting.

Birch Class have taken part in Bikeability also this week. They have practiced riding safely on the road. The instructors shared that the group worked well together and engaged positively. Hopefully- this is the start of a love of cycling!
